NOTES

INTRODUCTION

This publication is issued each month as a supplement to the annual *Catalogue of Publications and Products, Australia* (1101.0), which lists current ABS publications and gives brief descriptions (abstracts) of their contents. A brief description of the contents of new publications, changes to existing publications and other information of interest appears at the back of this publication.

In addition, a *Release Advice* (1105.0) is issued each Tuesday and Friday listing publications released on the day of issue and expected releases on the following four days.

PUBLICATION PRICES

Prices include postage both within Australia and overseas (economy air).

SUBSCRIPTION SERVICE

Clients who wish to receive publications on a regular basis may use the ABS Subscription Service.

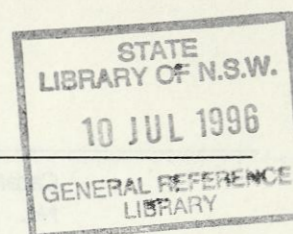

Clients who already use this service and who wish to change their requirements should quote their client identification number when contacting ABS. The number is shown at the top left hand corner of the address used to despatch publications to clients.

When due, renewal notices are sent to all subscribers. Payment for priced publications is required in advance and should accompany renewal notices returned to ABS.

NEW PUBLICATIONS RELEASED DURING JUNE 1996**4337.0 *Children's Health Screening, April 1995* (\$14.00)**

Contains information about health screening practices. Topics include: testing of sight and hearing; visits to dental professionals and visits to baby health clinics.

4601.0 *Australians and the Environment* (\$44.00)

Presents statistical information on the relationship between human activities and the environment. The new organisational structure introduced for this edition is particularly suited to providing a sustainable development perspective on the subject. The chapters examine the influences of people on the environment, the influences of the economy on the environment, the influences of environmental processes on the economy and society. While much of the information on human activities is drawn from the databases of the ABS, the report also contains a variety of information from other agencies on characteristics of the natural environment.

8689.0 *Private Medical Practitioners, Australia, 1994-95* (\$14.00)

Contains information about private general and specialist medical practitioners practising medicine in Australia. In addition to the age and gender of private medical practitioners, the publication contains information on number of hours worked per week, number of patient contacts per week, country of major medical qualification, and details of medical business structure.
